Product Description

Product Description

Travel Handheld Clothes Steamer With 180 Degree Rotatable

Refresh clothes anywhere with this travel handheld clothes steamer featuring a 180-degree rotatable design for versatile steaming angles. The 360ml water tank provides 15 minutes of continuous steam, while 3000W power and 20g/min output quickly remove stubborn wrinkles. The ceramic soleplate glides smoothly across all fabrics, and dry, spray, steam, and burst steam functions handle everything from delicate silks to heavy linens. Perfect for hotel, commercial, and household use, this lightweight steamer combines power with portability.
