## Features

- Industrial 8L capacity for high-volume cooking needs.
- Advanced no oil technology for healthier frying results.
- Powerful 1800W heating ensures fast and efficient cooking.
- Durable stainless steel and digital control for reliability.
- Versatile compatibility with pizza oven accessories.

## Ideal Applications

- Small industrial kitchens and food processing units.
- Commercial cafes, pubs, and fast-food outlets.
- Households seeking restaurant-quality, healthy meals.
- Catering businesses and mobile food truck operations.
- Pizzerias utilizing it as a versatile oven accessory.

## Slim Profile

Saves as much counterspace as possible without sacrificing cooking capacity.

## Intuitive Controls

Simple touch controls with automatic shake notifications for evenly crisped chicken wings.

## Easy-View Window

With an interior light to keep an eye on your food and watch it crisp up to golden-brown perfection.

## Nonstick Basket

Next to no oil needed for extra-crispy meals. Both the basket and rack are top-rack dishwasher safe.
