Product Description

Product Description

Fast Heat 360ml Handheld Steamer Powerful Garment Iron Home Travelling

Refresh clothes anywhere with this 360ml handheld fabric garment steamer – a powerful yet portable solution for home and travelling use. The fast heat technology delivers steam in just 30 seconds, while the generous 360ml water tank provides up to 15 minutes of continuous steaming. The handheld design makes vertical steaming of hanging clothes, curtains, and upholstery effortless. With powerful steam output that penetrates deep into fabrics, it removes stubborn wrinkles from suits, dresses, and linens without an ironing board.

Specification
