Product Description

Product Description

Cordless Electric Iron 300ml 2200W Clothes Ironing Garment Steamer Home

Experience tangle-free ironing with this 300ml 2200W cordless electric iron – a powerful home appliance designed for effortless garment care. The cordless design lets you move freely around your ironing board without restrictions, while 2200W power delivers fast heating and strong steam performance. The 300ml water tank provides extended ironing sessions, and the ceramic soleplate glides smoothly across all fabrics. With dry and steam functions plus vertical steaming for hanging clothes, it handles everything from delicate silks to heavy linens. Perfect for daily home use, this clothes ironing tool combines convenience with professional results.
