Product Description

7L No Oil Smart Air Fryer Rotisserie Dehydrator Digital Large Capacity

Experience the ultimate kitchen versatility with our 7L Smart Digital Air Fryer, designed to deliver healthier, tastier meals without the oil. Featuring a super-large capacity and multi-functional cooking modes—including rotisserie and dehydrator—this air fryer uses smart digital controls and rapid air circulation for perfectly cooked food every time. Crafted with a durable stainless steel and ABS exterior and a non-stick ETFE/PTFE interior, it's as easy to clean as it is to use. Whether you're cooking for a family, hosting friends, or preparing small-batch commercial meals, this all-in-one appliance brings convenience, health, and performance together in one sleek package.

Features

- Oil-free healthy cooking with smart digital control
- Super 7L capacity ideal for family or entertaining
- Multi-functional: air fry, rotisserie, dehydrate, bake
- Stainless steel durable and easy-clean design
- Certified safe for household and light commercial use

Ideal Applications

- Family kitchens for healthy daily air-fried meals
- Home entertainers preparing large-batch party foods
- Small cafes and bistros for versatile menu cooking
- Meal prep services for dehydration and roasting
- Fitness-focused households for low-oil protein cooking

7L No Oil Smart Air Fryer Rotisserie Dehydrator
Digital Large Capacity

Slim Profile
Saves as much counterspace as possible without sacrificing cooking capacity.

Intuitive Controls
Simple touch controls with automatic shake notifications for evenly crisped chicken wings.

Easy-View Window

With an interior light to keep an eye on your food and watch it crisp up to golden-brown perfection.

Nonstick Basket

Next to no oil needed for extra-crispy meals. Both the basket and rack are top-rack dishwasher safe.
