Product Description

Portable Automatic Coffee Machine Commercial Cappuccino Maker

Meet the ANBOLIFE EM-612 Portable Automatic Coffee Machine – a commercial grade espresso maker designed for multi function cappuccino brewing. This automatic machine features 15-20 bar professional pressure, thermoblock heating system, and PID intelligent temperature control for perfect extraction every time. The stainless steel housing with smart touch screen and APP control offers precise brewing from 1-2 cups. The swiveling 360° stainless steel steam nozzle with four holes creates velvety microfoam for lattes and cappuccinos. Includes dual wall SUS304 filters, 1.8L water tank, and adjustable grinder settings.
