Product Description

15 Bar Electric Espresso Coffee Machine Smart Milk Frother

Meet the ANBOLIFE EM-610 15 Bar Smart Coffee Maker Machine – a semi-automatic espresso machine featuring manual milk frother and PID intelligent temperature control. This electric appliance delivers professional-quality espresso with 15-20 bar pressure and thermoblock heating system. The stainless steel housing with smart touch screen and APP control offers precise brewing from 1-2 cups. The swiveling 360° stainless steel steam nozzle and four-hole steam head create perfect microfoam for lattes and cappuccinos. Includes dual wall SUS304 filters, 1.8L water tank, and adjustable grinder settings. Perfect for household coffee enthusiasts seeking barista-quality results at home.

Specification
