Product Description

Removable Oil Tray Sandwich Maker 180° Full Open Non Stick Plate

Create perfect toasted sandwiches with this 180 degree full open electric sandwich maker featuring non-stick plates and a removable oil tray for healthier cooking. The full open design lets you cook flat like a griddle for eggs, pancakes, or bacon – expanding your breakfast options beyond sandwiches. The non-stick PTFE coating ensures effortless food release and quick cleanup, while the dismantable oil collector catches excess fat for healthier meals.

Specification
