Product Description

Product Description

Bladeless Electric Fan Silent High Speed Remote Control Digital Household 55W

Experience powerful yet whisper-quiet cooling with this 55W bladeless household electric fan featuring high speed air flow and silent turbo motor technology. The tower design (22 x 22 x 97 cm) delivers smooth, uninterrupted airflow with speeds customizable from 3 to 20 levels. The digital model with remote control lets you adjust settings from anywhere, while wide-angle oscillation ensures even room coverage. Perfect for hotel, commercial, and household use, this fan combines modern aesthetics with powerful performance. The bladeless design ensures safety for children and pets while adding a sleek, contemporary look to any space.
