Product Description

Digital Control Portable Evaporative Air Cooler 50W 6L Water Tank Fan

Beat the heat with this digital control portable air conditioner – an evaporative air cooler featuring a 6L water tank and built-in plant fiber water curtain for rapid cooling. The upper and lower double water tank circulation system maximizes cooling efficiency. With 3 speed settings, left-right oscillation, and 0.5-7 hour timer, you can customize comfort throughout the day. The digital+remote control with 6-meter infrared range offers convenient operation from anywhere. The visible water window lets you monitor water levels, while top-fill design makes refilling easy – no bending required. 360-degree casters allow effortless movement from room to room. Perfect for hotel and household use.

Specification

Brand Name	ANBOLIFE
Model Number	BW-102Y
Place of Origin	China
Product Name	Air Cooler Fan
Type	Water Mist Fan, Evaporative Air Cooler, Portable Air Conditioner
Material	Plastic, ABS+Electronic Component
Power	50W
Voltage	220V
