Product Description

Product Description

Electric Meat Grinder 2.5L Glass Bowl Food Chopper Vegetables Fruits

Chop, grind, and prepare with this 400W electric food chopper featuring a spacious 2.5L glass bowl for generous food processing. The stainless steel S304 blade efficiently handles meat, vegetables, and fruits with 2-speed control for precision chopping. The glass bowl is food-safe and lets you monitor ingredients while processing. With safety thermal cut-out and thermo fuse protection, it's built for safe, reliable use. The upright design allows for compact storage on any countertop. Low-noise operation makes it perfect for quiet home kitchens. Energy-saving and environmental-friendly, it's ideal for household use in preparing sauces, salsas, baby food, and everyday meals.
