Product Description

Product Description

Professional 2L Stainless Steel Glass Blender Chopper 400W Meat Grinder

Grind, chop, and blend with this 400W professional blender chopper featuring a generous 2L stainless steel and glass bowl for serious food preparation. The stainless steel S304 four-blade system delivers efficient processing for meat, vegetables, nuts, and more. With 2-speed control and low-noise operation, it's perfect for both quiet home kitchens and busy commercial settings. The stainless steel housing ensures durability, while the glass bowl provides food-safe visibility. Safety thermal cut-out and thermo fuse protection give peace of mind during use. The upright design allows for compact storage. Energy-saving and environmental-friendly, it's ideal for home, hotel, and restaurant use.
