Product Description

Product Description

Electric Mini Blender 400W Stainless Steel Meat Vegetable Food Chopper

Grind, chop, and mince with this 400W mini electric blender – a compact powerhouse for processing meat, food, and vegetables in your home kitchen. The stainless steel housing and stainless steel blade ensure durability and sharp cutting performance. With safe operation features including safety thermal cut-out and thermo fuse protection, it's built for reliable daily use. The 1-speed operation with thermostat-controlled ready light makes operation simple. The upright design allows for compact storage on any countertop. Energy-saving and environmental-friendly, it's perfect for grinding meat, chopping vegetables, and food prep for family or commercial use.
