Product Description

Product Description

Household Electric Vegetable Blender Chopper 300W Multi Use Fruit Onion

Chop, blend, and prepare ingredients effortlessly with this multi-use electric vegetable blender chopper – a versatile household kitchen tool for processing vegetables, fruits, salad, and onion. The stainless steel blade delivers efficient chopping and blending, while the 300W motor provides reliable power for everyday tasks. The 800ml stainless steel container ensures durability and easy cleaning. With safety thermal cut-out and thermo fuse protection, it's built for safe, long-lasting use. The upright design allows for compact storage on any countertop. Energy-saving and environmental-friendly, it's perfect for salsas, purees, smoothies, and meal prep in any home kitchen or hotel setting.
