Product Description

Product Description

Rechargeable Hand Blender 300W Commercial Juicer Chopper Home

Blend, chop, and mix with this 300W hand blender – a versatile tool for both home and commercial kitchens. The stainless steel blade processes fruits, vegetables, and more with ease, while the push button control offers simple one-speed operation. The stainless steel container (800ml) ensures durability and easy cleaning. With safety thermal cut-out and thermo fuse protection, it's built for reliable daily use. The upright design allows for compact storage on any countertop. Energy-saving and environmental-friendly, it's perfect for soups, smoothies, purees, and chopping tasks in hotels, households, and small commercial settings.
