### Product Description

#### 0.8L Food Blender Stainless Steel For Meat Vegetables Fruits Nuts

Chop, blend, and puree with ease using this 0.8L portable food blender – a versatile mini food processor for everyday kitchen tasks. The durable 2-leaf stainless steel blade spins at 28,000 rpm to quickly process meats, vegetables, fruits, and nuts. The BPA-free glass bowl ensures food-safe preparation, while touch control and speed setting give you precise command. With low noise operation and skid-resistant feet, it's stable and quiet during use. The LED light illuminates your ingredients for perfect results. Perfect for chopping onions, blending smoothies, making baby food, and grinding nuts in any household kitchen.
