Product Description

Product Description

Commercial Household Electric Hand Blender Vegetable Meat Chopper

Blend, chop, and mix with ease using this 300W electric hand blender – a versatile kitchen tool for both commercial and household use. The stainless steel blades spin at 28,000 rpm to quickly process vegetables, meats, and more. With touchpad controls and variable speed settings, you have precise control over every task. The detachable plastic stick makes assembly and cleaning simple. Available with glass or PC/Tritan containers (500ml-0.6L) for food-safe preparation. Perfect for soups, smoothies, purees, and chopping tasks in restaurants, cafes, and home kitchens.

Specification
