## Product Description

### Product Description

#### Large Mouth Slow Juicer 9 In 1 150W Citrus Juicer Fresh Juice Blender Home

Extract maximum nutrition with this large mouth slow juicer – a 9 in 1 versatile machine that handles whole fruits and vegetables without pre-cutting. The 45 RPM slow masticating technology preserves enzymes and nutrients while delivering high juice extracting rate with minimal oxidation. The stainless steel blade and automatic pulp ejection system make juicing effortless. With reverse function to prevent jamming, non-drip spout for clean pouring, and dishwasher safe parts, cleanup is simple. The aluminum handle makes assembly easy, while micro switch safety protection ensures safe operation. Low noise (under 65dB) makes it perfect for quiet mornings. Ideal for household use, this citrus juicer and fruit/vegetable juicer combines power with gentle extraction.
