HEALTHIEST WAY TO FRY
FRIES WITH AIR FOR UP TO 80% LESS FAT

Enjoy all of your favorite foods **with little to no oil**

EASY **AIR FRYING** with up to 80% less fat!

Less Oil - More Healthier

This Air fryer cooks by 360°circulating hot air, offer you crunchy food with little to no oil. Frying basket and pan combo separates food in the basket from fat and oil dripping down the pan. Say goodbye to traditional deep frying! You can say goodbye to deep frying.

Multi-Function Air Fryer -Good Kitchen Helper

This Air fryers does much more than just air fry - it fulfills four more purposes that are just as useful - broiling, baking, reheating and roasting.

Non-stick and dishwasher safe

This air fryer makes cooking much cleaner. The basket has a non-stick interior coating, and can be easily removed and placed in a dishwasher for cleaning. Inserting them back into the cooker is just as easy. All the other surfaces can be simply wiped with a soft cloth.

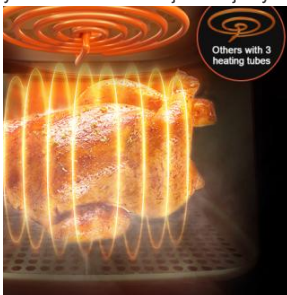

Auto Shut-off

Air fryer has built-in safety function, which make ensure that airfryer is automatically and immediately shut down when the basket is removed, and resume cooking when you put it back.

Hot Air Frying Technology

The air fryer cooks food at very high temperatures while simultaneously circulating dry air around the food, cooking food faster all the while making it crisp without needing to add extra fat. If you like super juicy baked or roasted chicken, this air fryer makes your chicken tastes just as juicy and tender.
