Product Description

USB Espresso Coffee Maker Stainless Steel Mini Machine For Home Travel

Meet the Portable USB Stainless Steel Coffee Maker Machine – a compact USB coffee maker designed for home and travel use. This portable drip coffee machine features 800W power (noting 100W/100ml in specs), one-touch control panel with illumination, and stainless steel construction for durability. The transparent removable 100ml water tank and top warming plate ensure convenience for single servings. Includes hot water system, steam milk frother, and auto shut-off for energy saving.
