#### Product Description

---

##### **Semi Automatic Espresso Coffee Maker 20 Bar With Milk Tank Household**

Meet the 20 Bar Semi-Automatic Coffee Machine – a hot selling espresso maker designed for household use with integrated milk tank for creamy cappuccinos and lattes. This semi-automatic espresso machine features 20 bar pump pressure, 1350W power, and touch control panel for precise brewing. The PP/stainless steel construction with detachable 0.9L transparent water tank, milk tank, and adjustable drip tray ensures easy cleaning and maintenance. Includes stainless steel cup warming plate, 1 and 2 cup filters for ground coffee, programmable settings, temperature control, hot water system, and self-cleaning function. Protected by overheating and overpressure safety devices.
