

High Speed Vector Motor Hair Clipper with Titanium Alloy Blade for Professional Beard Trimming

Basic Information

Place of Origin: Zhejiang, China

Model Number: AE033Minimum Order Quantity: 250Price: \$20

Product Specification

Maximum Runtime: 121-180 MinBattery Capacity: 2600mAh

Blade Material: Titanium Plated Stainless Steel

• Charging Time: 1.5h, 2Hours

• Power: 5 W

Voltage: 220–240 V
Weight: 150g
Size: 4*3*16cm
Motor Type: Vector Motor

• Trimming Speed: 9000-12000RPM/min

Adjustable Blade Length: 1-4mm

Input Voltage: 100-240V 50/60Hz
 Output Voltage: 5V 1000mA
 Housing Material: Metal

Fixed Blade Material: Stainless Steel 440C
