

Ceramic Infrared Ionic Flat Iron with 5s Fast Heat-Up 800W Power and 360° Swivel Power Cord

Our Product Introduction

for more products please visit us on airfryerfactory.com

Basic Information

- Place of Origin: Zhejiang, China
- Brand Name: Customized
- Model Number: AB1124
- Minimum Order Quantity: 1000
- Price: \$18

Product Specification

- Heater Type: PTC
- Plate Material: Ceramic Coating Aluminum Plate
- Plate Size: 27 X90mm
- Power: 800W
- Voltage: 110-240V 50/60Hz
- Temperature Control: ON/OFF Switch
- Heat-up Time: 5s
- Power Cord Length: 1.8M
- Power Cord Type: H03VV-F 2*0.75mm
- Swivel Cord: 360°
- Overheating Protection: Yes
- Temperature Display: LED
- Adjustable Heat Settings: Yes
- Plates Coating: Ceramic And Tourmaline
- Motor Speed: 100000 Rmp

Product Description

Flat Iron Hair Straightener Ceramic Infrared Ionic Flat Iron

Professional 5s Fast Heat-Up PTC Temp Control Anti-Frizz Styling

Product Specifications

Feature	Details
Product Name	Hair Straightener
Voltage and Power	110-240V 50/60Hz 800W
Material of Plate	Ceramic coating aluminum plate
Temperature Control	3 speeds for dryer function
Safety Features	Overheating protection with digital display
Power Cord	Universal plug for all countries standard

Technical Parameters

100,000 RPM motor for powerful performance
Voltage: AC 220-240V 50Hz 800W
PTC Heating Element for consistent temperature
Ceramic Coating for smooth gliding and reduced frizz
Precise temperature control for straightener function
3 speed settings for dryer function
360° Swivel Power cord for tangle-free use
Convenient hanging loop for storage
Injection color for durable finish
Power cord: H03VV-F 2*0.75mmx1.8M

Why Choose Our Hair Straightener

About Our Company

Ningbo Anbo United Electric Appliance Co., Ltd. is a manufacturer and exporter specializing in personal appliances. We combine the newest technology with user-friendly designs to enhance daily life. We offer OEM/ODM services, complete solutions, and partnership opportunities. Our commitment to quality, service, and competitive pricing has made us a trusted partner for world-famous brands. We welcome your suggestions and cooperation as we continue to innovate and improve.

Factory Workshop

Packing & Shipping

We accept all kinds of customized packaging including color boxes, gift boxes, mail-boxes, and blister packaging to meet your specific requirements.

Frequently Asked Questions

Are you a factory?

Yes, we are a manufacturer and trading combination.

Can we use OEM with our own logo for machine and packing?

Yes, OEM is acceptable.

What is the lead time for mass production?

Normally, the lead time is 30-45 days.

How do you guarantee your product quality?

We have a strict quality control system with 100% inspection before shipping, including 3000-3800V high voltage testing to ensure product reliability.
