Basic Information

- Place of Origin: Zhejiang, China
- Brand Name: Customized
- Model Number: AB1129
- Minimum Order Quantity: 2000
- Price: \$5.60

AB Anbolife®

Product Specification

- Heater Type: PTC
- Plate Material: Ceramic Coating Aluminum Plate
- Plate Size: 104*12mm
- Power: 55W
- Voltage: 110-240V
- Frequency: 50/60Hz
- Temperature Range: 120~210
- Temperature Adjustment: 10°C Per Gear
- Auto Shut-off: Half An Hour
- Power Cord: 360° Swivel
- Plate Type: Floating Plate
- Heating Speed: Fast PTC Heating
- Temperature Display: LED
- Body Material: Plastic, Bulk Reinforced Nylon, ABS, PC
- Product Size: 104*12mm

Product Description

Faster Styling Reduced Damage Hair Straightener

Double Straight Copper Ceramic Dual Plate 4 1/2 Inch Plates for Household & Hotel

Product Overview

Specification	Details
Product Name	Hair Straightener and Curler
Voltage and Power	110-240V 50/60Hz 55W
Material of Plate	Ceramic coating aluminum plate
Temperature	120-210°C (10°C increments)
Function	Auto Shut-off In Half an Hour
Power Cord and Plug	Standard plug and power cord available for all countries

Technical Specifications

Voltage/Power: 110-240V 50-60Hz 55W
On/off button with "+" and "-" buttons for temperature control
Auto shut-off after 30 minutes of inactivity
104×12mm ceramic coating floating plates
Fast PTC heating technology
360° swivel power cord for tangle-free use
Temperature range: 120~210 with precise control

Product Advantages

About Manufacturer

Ningbo Anbo United Electric Appliance Co., Ltd. is a professional manufacturer and exporter of personal care appliances. We specialize in integrating the latest technology into user-friendly products for everyday life. Our services include OEM/ODM solutions, and we collaborate with world-renowned brands. We are committed to continuous improvement through customer feedback and cooperation.

Production Facility

Packaging & Shipping

We accept various customized packaging options including color boxes, gift boxes, mail-boxes, and blister packaging to meet your specific requirements.

Frequently Asked Questions

Are you a factory?

Yes, we are a manufacturer and trading company combination.

Can we use our own logo for the product and packaging?

Yes, OEM services are available.

What is the lead time for mass production?

Typically 30-45 days for standard orders.

How do you guarantee product quality?

We implement strict quality control with 100% inspection before shipping, including 3000-3800V high voltage testing to ensure product reliability.
