Frequently Asked Questions

Are you a factory?

Yes, we are a manufacturer and trading combination.

Can we use OEM with our own logo for machine and packing?

Yes, OEM is acceptable.

What is the lead time for mass production?

Normally, the lead time is 30-45 days.

How do you guarantee your product quality?

We have a strict quality control system with 100% inspection before shipping, including 3000-3800V high voltage testing to ensure product quality.
