Product Description

Product Description

Semi Automatic Espresso Machine 1.8L Water Tank Coffee Maker

Meet the Professional 20 Bar Pump Espresso Coffee Machine – a versatile semi-automatic espresso maker designed for hotel, commercial, and household use. This modern electric coffee maker features 20 bar pump pressure, 1350W power, and 1.8L water tank for multiple servings without refilling. The plastic housing with touch screen display and semi-automatic control ensures easy operation. Perfect for crafting espresso, americano, cappuccino, latte, and more with milk frother, hot water, and steam functions. Includes programmable settings, temperature control, adjustable grinder, hot water system, and self-cleaning.
