Product Description

Cool Hot Espresso Maker 20 Bar Milk Frother Coffee Machine 1360W Home Kitchen

Enjoy café-quality coffee at home with this 20 bar automatic coffee machine featuring a powerful milk frother for creamy lattes and cappuccinos. The 1360W motor and 20 bar pump deliver professional pressure for perfect crema, while the cool espresso function lets you enjoy iced coffee without bitterness. The stainless steel body houses a 0.9L water tank and adjustable grinder for fresh beans. With touch screen display, programmable settings, and self-cleaning function, operation is effortless. Class A+ energy efficiency saves power. Perfect for home kitchen or semi-commercial use.
