Product Description

Americano Cool Espresso Machine 1360W Cappuccino Maker with Milk Frother

Enjoy hot and cold coffee perfection with this 20 bar cool coffee maker – a versatile espresso machine featuring cold brew and cool espresso functions alongside traditional hot coffee. The thermo-block instant heating system delivers fast brewing, while the 20 bar pump ensures professional pressure for rich crema. The 0.9L detachable water tank and 0.4L detachable milk tank make refilling and cleaning simple. The automatic milk frother whips any milk into light, creamy foam for perfect cappuccinos and lattes. With 8 functions including espresso, cool espresso, hot milk, cool milk, cappuccino, latte, long coffee, and Americano cool, it's the ultimate all-in-one coffee station. Perfect for home use.
