### Product Description

#### Non Stick Ice Cream Cone Maker 1200W Adjustable Temperature Anti Scalding Housing

Make fresh, crispy waffle cones at home with this 1200W ice cream cone maker – the perfect tool for creating delicious cones for ice cream, gelato, or frozen yogurt. The non-stick coating ensures easy release and quick cleanup, while the adjustable temperature control lets you customize browning from light golden to dark crispy. Power and ready indicator lights show when the machine is preheated and ready to use. The anti-scalding bakelite housing keeps the exterior cool and safe during operation, making it family-friendly. Compact and easy to store, it's ideal for home kitchen use, weekend treats, and special occasions.
