Product Description

Ice Cream Cone Maker 1200W 5 Temperature Settings Adjustable Home Baking

Create fresh, crispy ice cream cones at home or in small commercial settings with this 1200W ice cream cone maker. The 20CM diameter plates produce perfectly sized waffle cones, while the adjustable temperature control knob lets you customize browning from light to dark. The non-stick coating ensures easy release and quick cleanup, and the power and ready lights indicate when it's preheated and ready to use. The anti-scalding bakelite housing keeps the exterior cool and safe during operation.
