Product Description

2 Slice Sandwich Maker 750W Power Ready Light Thermostat Controlled Non Stick

Achieve perfect toasties every time with this 750W 2 slice sandwich maker featuring thermostat-controlled power and ready lights for clear visual status. The power light indicates when the appliance is on, while the ready light lets you know exactly when it's preheated and ready to cook. The non-stick coated plates ensure effortless food release and quick cleanup, and the cool touch handle provides safe operation. Safety thermal cut-out and thermo fuse offer automatic protection, while skid-resistant feet keep it stable. The upright design allows for compact storage.

Specification
