Product Description

Product Description

1500W 4L Digital Glass Air Fryer Door Touch Display 12 Cooking Presets Home

Cook healthier meals with this 4L glass air fryer featuring an innovative door touch display and 12 cooking presets for effortless operation. The new CE standard protection cover with lid ensures safety during use, while 1500W high speed air circulation technology delivers crispy, delicious food with up to 80% less fat. The non-stick detachable drawer and food basket are dishwasher safe for easy cleaning. Adjustable temperature control (80-200°C) and 1-60 minute timer give you complete cooking flexibility. The modern square design with glass door lets you monitor progress without opening. Perfect for home kitchens, healthy cooking, and fast meal preparation.
