Product Description

Product Description

5L Glass Air Fryer 1500W Door Touch Display 12 Presets Non Stick Basket

Upgrade your kitchen with this modern 5L electric air fryer featuring a large color touch screen display and innovative slant screen design for easy checking. The 1500W power delivers fast, even cooking, while 80-200°C temperature control and 60-minute timer give you complete flexibility. The non-stick coating ensures effortless food release and quick cleanup, and non-slip feet keep the appliance stable during use. Perfect for air frying, roasting, and healthy cooking with less oil. The 5L capacity is ideal for families. The square modern design with customizable logo option fits any kitchen aesthetic. Perfect for home, kitchen, and family cooking.
