Product Description

6L Digital Touch Screen Air Fryer 1500W Non Stick Space Saving

Maximize your cooking capacity with this 6L digital air fryer featuring a detachable handle for space-saving storage and large loading quantity. The 1500W power delivers fast, even cooking, while 80-200°C temperature control and 60-minute timer give you complete flexibility. The large color touch screen with slanted design makes operation and checking effortless. Non-stick PTFE coating ensures easy food release and quick cleanup, and non-slip feet keep the appliance stable. Perfect for air frying, roasting, and healthy cooking with less oil. The 6L capacity is ideal for larger families and gatherings. The square modern design with customizable logo fits any kitchen. Perfect for home, kitchen, and family cooking.

Specification
