Product Description

Product Description

9L Dual Basket Air Fryer 2400W Digital Control Steel Cavity Non Stick

Cook two different foods at once with this 9L dual basket air fryer featuring separate 4.5L + 4.5L compartments for independent cooking. The powerful 2400W delivers fast, even results, while 50-200°C temperature control and 0-60 minute timer give you complete flexibility. The decorative strip light adds a modern touch to your kitchen. Steel cavity construction ensures durability, and non-stick PTFE coating makes cleanup simple. Non-slip feet keep the appliance stable during use. Perfect for air frying, roasting, and healthy cooking with less oil. The 9L total capacity is ideal for larger families and gatherings. Perfect for home, kitchen, and family meals.
