### Product Description

---

#### **6L Modern Air Fryer 1400W Touch Screen Display Non Stick 80-200°C**

Cook healthier meals anywhere with this 6L modern air fryer featuring a large color touch screen display for effortless operation. The 1400W power delivers fast, even cooking, while 80-200°C temperature control and 0-60 minute timer give you complete flexibility. The non-stick PTFE coating ensures easy food release and quick cleanup, and non-slip feet keep the appliance stable. Perfect for air frying and roasting with less oil. The 6L capacity is ideal for families. Compact and portable, it's suitable for hotel, outdoor, garage, commercial, and household use.

### Specification
