Product Description

Product Description

10L Dual Air Fryer Oven 2 in 1 1800W 6.5L+3.5L 10 Presets Stainless Steel

Maximize your cooking versatility with this 10L 2-in-1 dual air fryer oven featuring dual zone cooking with 6.5L + 3.5L independent compartments. The 1800W power with double heating system (carton heaters + 304 stainless steel heaters) delivers fast, even cooking across both zones. 10 preset fast food menus take the guesswork out of cooking, while 80-200°C temperature control and 0-60 minute timer give you complete flexibility. The full stainless steel cavity ensures durability, and non-stick detachable baskets make cleanup simple. Child safety basket release button provides peace of mind.

Specification
