Product Description

Product Description

12L Modern Dual Air Fryer Oven 2200W Dual Zone 5L+7L 10 Presets Home

Revolutionize your kitchen with this 12L 2-in-1 dual air fryer oven featuring dual zone cooking with independent 5L + 7L compartments – perfect for preparing complete meals simultaneously. The powerful 2200W motor with double heating system (carton heaters + 304 stainless steel heaters) delivers fast, even cooking across both zones. 10 preset fast food menus take the guesswork out of cooking, while 80-200°C temperature control and 0-60 minute timer give you complete flexibility. The full stainless steel cavity ensures premium durability, and non-stick detachable baskets make cleanup effortless.

Specification
