Product Description

8L Digital Air Fryer 2200W LED Touch Screen Oil Free Large Capacity

Cook healthier family meals with this 8L large capacity digital air fryer featuring 2200W power and oil-free cooking technology that delivers crispy, delicious food with 80% less fat. The big color LED display with touch panel and 10 preset cooking programs make operation effortless. 80-200°C temperature control and 60-minute timer with auto shut-off give you complete flexibility. The SS304 heating element with high speed air circulation ensures fast, even cooking. The non-stick detachable basket and drawer are easy to clean, and the cool touch handle with anti-shock proof ensures safe operation.
