Product Description

Product Description

13L Air Fryer Oven 1800W LED Touch Screen Oversized Visible Window

Transform your cooking experience with this 13L large capacity air fryer oven featuring an LED digital touch screen and double oversized visible window for effortless monitoring. The 1800W power delivers fast, even cooking with 80-200°C temperature control and 0-60 minute timer for complete flexibility. The single basket with fry tray and non-stick PTFE coating ensure easy food release and simple cleanup. The glossy finish adds a modern, stylish touch to any kitchen. Perfect for air frying, baking, and roasting with less oil.
