Product Description

Product Description

2 in 1 Steam Air Fryer 7L 1700W Touch Panel 1000ml Water Tank Kitchen Use

Experience the ultimate kitchen versatility with this 7L steam air fryer 2-in-1 combo that combines the crispiness of air frying with the moisture of steam cooking. The 1700W power delivers fast, even results, while 360° overall hot air circulation ensures perfectly crispy food with up to 80% less fat. The 1000ml water tank enables steam cooking for healthier, tender meals. The touch digital panel with preset fast menus makes operation effortless, while 80-200°C temperature control and 60-minute timer with auto shut-off give you complete flexibility. Double protection circuits let you monitor food safely at any time. The non-stick frying basket is dishwasher safe for easy cleanup. Overheating protection, cool touch handle, and non-slip feet ensure safe operation. Perfect for home, kitchen, and family cooking.
