Product Description

10L Bladeless Air Fryer with Food Divider 2200W Oil Free 80% Less Fat Touch Digital

Experience next-generation healthy cooking with this 10L bladeless air fryer featuring an innovative food divider that lets you cook two different foods simultaneously without mixing flavors. The bladeless design with fan located at the back ensures quiet, powerful operation. Powered by 2200W high-speed air circulation technology, it delivers crispy, delicious food with up to 80% less fat – perfect for guilt-free meals. The touch digital display with 12 preset fast food menus makes cooking effortless, while 80-200°C temperature control and 0-60 minute timer give you complete flexibility.
