Product Description

750W 2 Slice Sandwich Maker Non Stick Plates Power Ready Light Safety Cut Out

Cook perfect sandwiches with confidence using this 2 slice sandwich maker featuring power and ready light indicators for clear visual status. The 750W power delivers fast, even heating, while the non-stick coated plates ensure effortless food release and quick cleanup. The cool touch handle and skid-resistant feet provide safe, stable operation. Safety thermal cut-out with thermo fuse offers automatic protection against overheating. The upright design allows for compact storage when not in use. Energy-saving and environmental-friendly with Class A efficiency. Available in customizable colors with OEM logo options. Perfect for home kitchens, breakfast preparation, camping, and small appliances.

Specification
