Product Description

Product Description

15 Bar Automatic Espresso Machine 1350W Touch Screen 1.5L Water Tank Home Office

Enjoy café-quality coffee at home or in the office with this automatic coffee machine featuring a 15 Bar ULKA pump for professional pressure extraction. The 1350W power delivers fast brewing, while the 1.5L water tank and 300g bean hopper allow multiple cups without refilling. The touch screen display makes selecting espresso, cappuccino, latte, americano, hot milk, and hot water effortless. The built-in adjustable grinder ensures freshly ground beans for every cup. The automatic milk frothing system creates creamy foam for specialty drinks. Self-cleaning function simplifies maintenance. The stainless steel body with programmable settings and temperature control ensures consistent results. Perfect for home, office, and commercial use.
