Product Description

Product Description

Automatic Bean to Cup Coffee Maker 7 Inch Display 15 Bar Pump Cappuccino Latte

Experience the ultimate bean-to-cup convenience with this automatic coffee machine featuring a 7-inch TFT display and 15 Bar Italy pump for professional extraction. The 2.8L water tank and 180g bean hopper allow extended use without frequent refills. With 9 beverage options including espresso, cappuccino, latte, americano, milk foam, cold brew, ristretto, macchiato, and flat white, you can enjoy café-quality drinks at home or in the office. The built-in adjustable grinder ensures freshly ground beans for every cup, while the automatic milk frothing system creates creamy foam. Cleaning reminder and self-cleaning function simplify maintenance. Programmable settings and temperature control ensure consistent results. Perfect for home, office, and commercial use.
