Product Description

20 Bar Semi Automatic Espresso Maker Cold Brew Cool Milk 1.6L Tank Stainless Steel

Experience the perfect balance of control and convenience with this semi-automatic coffee machine featuring 20 Bar pressure for rich, full-flavored espresso. The 1350W power delivers fast heating, while the 1.6L water tank allows multiple cups without frequent refilling. With cold brew and cool milk capabilities, you can enjoy refreshing iced coffee drinks alongside traditional espresso, cappuccino, and latte. The digital touch screen display makes operation intuitive, while the built-in adjustable grinder ensures freshly ground beans. Automatic milk frothing with milk tank creates creamy foam for specialty drinks.
