Product Description

20 Bar Semi Automatic Espresso Maker Cold Brew Cappuccino Latte 2.6L Tank Home

Experience the perfect balance of manual control and automated convenience with this semi-automatic coffee machine featuring 20 Bar pressure for rich, full-flavored espresso extraction. The 1350W power delivers fast heating, while the 2.6L water tank allows multiple cups without frequent refilling. With cold brew capability, you can enjoy refreshing iced coffee alongside traditional espresso, cappuccino, latte, and americano. The touch screen display makes operation intuitive, while the built-in adjustable grinder ensures freshly ground beans.
