Product Description

Product Description

20 Bar Espresso Maker Thermoblock Heating Cold Brew Cool Milk Home Office Hotel

Master both hot and cold coffee drinks with this 20 Bar espresso machine featuring thermoblock heating system for fast, precise temperature control. The 1350W power delivers quick heat-up, while cold brew and cool milk functions let you create refreshing iced coffee alongside traditional espresso, cappuccino, and latte. The 2.6L water tank allows multiple cups without frequent refilling. The touch screen display makes operation intuitive, while the built-in adjustable grinder ensures freshly ground beans.
