Product Description

Product Description

20 Bar Semi Automatic Espresso Machine Cold Brew Hot Espresso Adjustable Grinder

Master the art of espresso with this 20 Bar semi-automatic espresso machine featuring cold brew and hot espresso capabilities for year-round coffee enjoyment. The 1350W power delivers fast heating, while the adjustable grinder settings let you customize grind size for perfect extraction. The 2.6L water tank allows multiple cups without frequent refilling. With touch screen display and programmable temperature control, you can dial in the perfect brew for any bean. Automatic milk frothing with milk tank creates creamy foam for cappuccinos and lattes.
