Product Description

Semi Automatic Coffee Machine 20 Bar Cool Espresso Adjustable Grinder Iced

Master both hot and iced coffee with this 20 Bar semi-automatic coffee machine featuring cool espresso capability and adjustable grinder for customized extraction. The 1350W power delivers fast heating, while the 1.8L water tank allows multiple cups without frequent refilling. With touch screen display and programmable temperature control, you can dial in the perfect brew for espresso, cappuccino, latte, americano, and iced espresso. The adjustable grinder settings let you customize grind size for optimal flavor. Automatic milk frothing creates creamy foam for specialty drinks. The stainless steel body with plastic components ensures durability. Self-cleaning function simplifies maintenance. Perfect for home, garage, RV, and commercial use.
